

## Skitour Taghaube, 2.159 m

### Details of the tour:

**Altitude difference: 800 hm**

**Walking time: 2,5 hours**

**Starting point: Bischofshofen - Mühlbach - parking lot at Dientner Sattel**

**Tour time: entire winter**

**Highlight: Short tour in the Hochkönig area.**

**Route: ascent from the parking lot northwestward to the Erichhütte, now eastward on a ridge to the Schrofen and at best on foot to the summit.**

**A rewarding and popular variant is also the route to the Taghaubenscharte (2,136 m, 800 hm, 2.5 h).**

**Descent: As ascent.**

**Weather info: Find out about the weather situation in the touring area before each tour, e.g. at [www.wetter.orf.at](http://www.wetter.orf.at) or [www.zamg.at](http://www.zamg.at)**

**Avalanche information: Before each tour, find out about the current avalanche situation in the touring area, e.g. at [www.lawine.salzburg.at](http://www.lawine.salzburg.at).**

**In any case, avoid ski tours when there is a warning for avalanche danger.**

**The use of this tour description is at your own risk. A liability for any accidents and damages is not assumed for any legal reason.**
